SUBJECT: Council District Five 2010 TOT Discretionary Fund Allocation

As you may know, the San Diego Asian Film Foundation was granted an award from the Commission for Arts and Culture for FY2010. My allocation to the San Diego Asian Film Foundation is in support of its 10th annual San Diego Asian Film Festival. This yearly event draws over 12,000 people over the course of the event.

I am requesting that you make the following adjustment to Council Districts Five's TOT Discretionary funds:

- Allocate \$2,500 to the San Diego Asian Film Foundation

In advance, thank you for your prompt assistance.
